

Thursday 24th September 2009

Dear Parents,

Public Holiday for National Youth Day Please allow me to remind all families that tomorrow, Friday 25th, is a public holiday in recognition of National Youth Day. School will be closed.

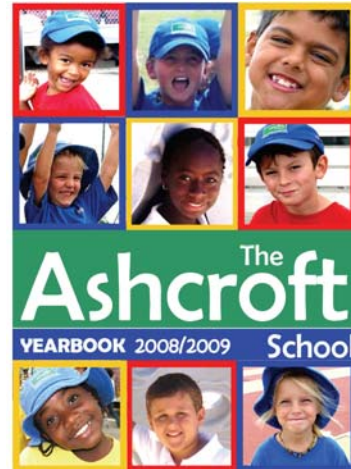

School Calendar/website I have been asked for school calendars this week and wish to take the opportunity to direct all families to our school website, www.theashcroftschoo.com . Here, you will find the school calendar and much more useful information about the school; I have attached the current calendar. I certainly welcome parent input on the website, in terms of what you think you would like to see included on the site. We are currently in the process of adding more recent photography and more detailed, parent-friendly curriculum sections.

Yearbooks

Our most recent Yearbook is still available for sale in the school office. This journal is a fantastic record of your child's 2008/2009 school year and a great memento of The Ashcroft School. If you have not yet seen the Yearbook or want a second or third copy, please do collect from the office.

Punctuality

Teachers are noticing some examples of lateness for morning registration. Please try to avoid morning lateness; good punctuality is something that we try to foster. If your child is late, you must register at the school office, please do not just slip the child through the classroom door.

PTA Parent Representatives I wish to formally announce to the school community that the following PTA Roles have been happily filled and there were no other nominations made:

President (<i>Team Leader</i>)	Amy Mitchell
Vice President (<i>Deputy</i>)	Tess Marks
Secretary	Annamae Major
Treasurer	Julie Tosi

On behalf of the school, I wish to express my gratitude for the great enthusiasm shown by the above named ladies and I look forward to another successful year in terms of PTA organised events. The team strongly encourages all parents to actively join in with PTA events and monthly meetings.

Sincerely,

David O'Connell, Principal
