

Parents and Toddlers

Mondays 3.30pm – 4.30pm

Miss Delia Taylor welcomes members of the community to join its Parent / Toddler Group

Together with your toddler, we invite Mums, Dads or Nannies to enjoy our wonderful playground facility, soft play room, explore interactive activity and take this ideal opportunity to get together with families who share your needs. This is not a drop off session.

This fun class is designed to enable tots to develop their language, creative, cognitive and physical skills in a social and friendly classroom setting. Your toddler will jump, bounce, roll and tumble in our soft play area as well as develop their creativity and imagination in weekly art activities.

There is a cost of \$12 per session and we ask that advance payments be made with our School Office.

An exciting activity each week!
